

Christmas Family Experience, December, 2010

PreShow Games

Candy Cane Pick Up

Place a pile of candy canes on a table and provide a tray or basket for each player. Give each player a candy cane to put in his/her mouth with the hook end down. The player must use the candy cane hook to pick up the other candy canes and move them to the bucket. The player with the most candy canes in their basket wins.

Supplies: Candy Canes, Buckets

Sugar Cookie Face

Provide Cookies for each player. Players must place one cookie on their forehead and use their face muscles to move it into their mouth. The player who has gotten the most cookies in their mouth after one minute is the winner.

Supplies: Sugar Cookies

Rudolph Scoot

Provide a big red foam nose and a set of round ornaments for each player. Mark a Start and Finish line. Players must use their nose to roll the ornaments from the START line to the FINISH line. The player who has rolled the most ornaments across the FINISH line in one minute wins.

Supplies: Rudolph Nose, Plastic Ornaments

Human Christmas Tree

Provide decorations for each team. Choose one person on the team to be the human Christmas tree. The player or team has one minute to decorate their tree. The best decorated tree wins.

Supplies: Christmas Ornaments
